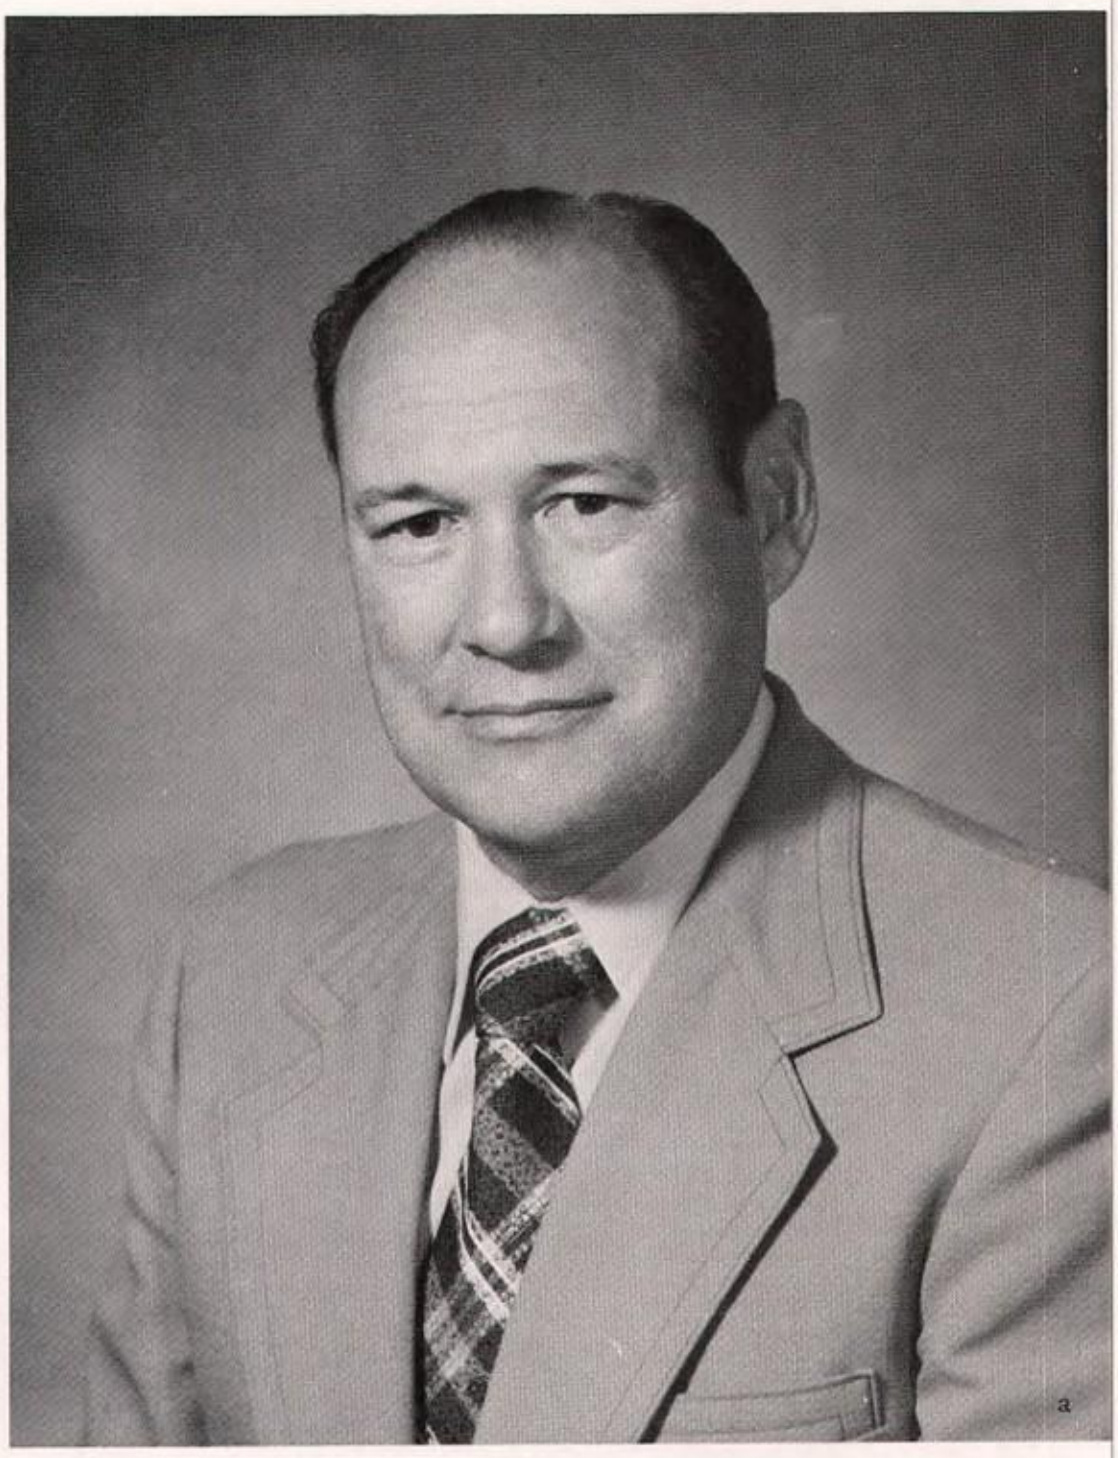
Hirschi Welcomes Dr. Lee R. Williamson

Taking the helm of the superintendcy is a new face to the Wichita Falls Public School System, DR. LEE R. WILLIAMSON, who comes to us from Pueblo, Colorado. He has always been active in the field of education, working with schools, goodwill industries, United Fund, and boys' clubs. Throughout his career, his primary concern has been that of reaching and meeting the needs of the student.

We at Hirschi are pleased to welcome Dr. Williamson to Wichita Falls.



a. DR. LEE R. WILLIAMSON, Superintendent. b. Wichita Falls Public Schools Administration Building. c. Standing: PERRY GOOLSBY, Assistant Superintendent - Personnel; JOE R. STEARNS, Assistant Superintendent - Instruction. Sitting: THOMAS F. BARNETT, Deputy Superintendent; DR. HENRY B. FURR, Assistant Superintendent - Business.

Board of Trustees

One innovation brought about by Dr. Williamson is the new organization of the responsibilities of the administrative personnel. He has established the positions of Departmental Directors who will work under the deputy and assistant superintendents. This plan enables the directors to work with the Board of Trustees and the administration. In this manner, the combined efforts of the Board of Trustees, the administrators and the directors can better serve the needs of the students in Wichita Falls.

Pictured at Left Are, STANDING: JOE GOLDING, Director of Athletics; ERVIN GARNETT, Director of Pupil Services; SITTING: MRS. BETTY JO MCGINNIS, Director of Food Services; and HUNTER KIRKPATRICK, Director of Secondary Education.

Members of the BOARD OF TRUSTEES Pictured Below Are, STANDING: JACK PEARDEN, AL FLACK, DR. CARL DAVIS, and LEE SELLERS: SITTING: MRS. LAURA DOING, Secretary; J. PHILLIPS CUNNINGHAM, President; and GERALD HODGES, Vice-President.

The school year 1974-75 brings around the fourth year that MR. JOE K. REED has been the principal at Hirschi. Throughout the years that he has held this position, he has been keenly involved with the students and works directly with any problems to find the solution. We are proud to have this dedicated educator as our leader.

Acting as Mr. Reed's right-hand-men are Vice-Principals WILLIAM A. FREEMAN and MACK L. KECK.
